The information set out in the written report of the Pretrial Services Agency submitted to the court on May 20, 2013, is adopted herein. The Pretrial Services Agency recommends that the defendant be detained without bail pending trial in this cause.

The defendant is 23 years of age. He resides with his mother and two siblings. The defendant is not married. He has one child, age 2.

The defendant is not employed. He currently receives disability benefits. He is disabled on account of injuries received in a car accident in 2010. The accident occurred as the defendant was fleeing from the police. He completed the 9th grade in school. He reports that he was expelled from school on account of offenses which resulted in his placement in a juvenile facility.

The defendant admits to the use of marijuana. In 2009 the defendant was convicted of possession of marijuana (misdemeanor) and was fined.

In 2012 the defendant was convicted in the Circuit Court of St. Louis County, Missouri of the offenses Burglary Second Degree and Stealing Over \$500. Records of the Missouri Board of Probation and Parole relating to this offense show that on December 23, 2010, two individuals arrived at their residence and interrupted a burglary. A white Monte Carlo was parked in their driveway occupied by one male and two males were seen leaving the residence. One of the males had a gun and pointed the weapon at the victims. The two males entered the Monte Carlo and drove away. The victims called the police who pursued the Monte Carlo. The pursuit ended when the Monte Carlo became involved in an auto accident. One suspect fled from the vehicle while the other two had to be removed from the scene and taken to the hospital. One of the suspects was identified as Bobby Barnes. Hospital personnel advised the police that a gun and jewelry was found inside of Barnes' pockets upon his arrival at the hospital. Barnes arrived at the hospital unconscious and appeared to have significant injuries. On January 9, 2011, a check of the gun taken from Barnes' person at the time of the accident revealed it belonged to the victim of the burglary. Also in 2012 in the Circuit Court of St. Louis County, Missouri he was convicted in a separate case of the offenses of Burglary First Degree and Stealing. Imposition of sentence was suspended in each case and the defendant was placed on 5 years probation. He remains on probation at this time and was on probation at the time of the offense alleged in the pending complaint.

The defendant is charged here with a violent crime in which it is alleged that he conspired to commit an armed robbery of persons he believed to be drug dealers. He has committed acts of violence in the past as set out above. He has been arrested for other violent acts for which he was not charged or convicted. This clearly demonstrates that the defendant is a danger to the community.

The defendant likely faces a substantial sentence if convicted here. He also likely faces revocation of state probation and the service of state sentences on previous convictions. This provides incentive to flee.

All of this leads the undersigned to conclude that there are no conditions or combination of conditions which will assure the appearance of the defendant or the safety of the community as required, and that the defendant should be detained without bail pending trial in this case.
